**CYBERSECURITY INCIDENT**

---

The board of directors (the "**Board**") of Cortina Holdings Limited (the "**Company**" together with its subsidiaries, collectively the "**Group**") wishes to announce that the Group has recently had a cybersecurity incident. The Group was subjected to a sophisticated cyber-attack, where an unknown party gained unauthorized access to one of the Group's servers and encrypted the information therein.

Investigations into the incident are currently ongoing.

After detecting an intrusion into one of the servers, the Group took immediate steps to identify, contain and address the potential attack on the server, including isolating the affected server. The Group contacted its external information technology consultant to assist with the containment and remedial efforts. The Group has also reported the matter to the relevant authorities, including the Singapore Police Force and the Personal Data Protection Commission.

The Group will start the process of notifying all parties whose data were affected on or around 7 June 2023.

The Group will also continue to take steps to strengthen its cybersecurity.

The Company takes information security very seriously and as part of this process, it is conducting a rigorous review of the incident and its systems to ensure that the data it is entrusted with is secure.
